FIVE HEAT WINNERS IN SID,000 RACE.

Roger Williams Trotting Stake Record Broken by Every Heat But One of the Six.

DULCE COR IS FIRST TWICE.

Blind Horse, Rhythmic, Makes the Fastest Time, but Scores Only Once - Other Results at Providence.

Providence, R. I., Aug. 27.-Sensations continue to develop at the Grand Circuit meeting at Narragansett Park, and if the present record lasts Dan Patch probably will break the world's record next Friday.

It was the Roger Williams \$10,000 trotting stake to-day that smashed all precedents. It is still unfinished, with five heat winners, and all have broken their records.

Old-time horsemen say it is the grandest race they ever saw. The first four heats all broke the stake record of 2:05½ and the slowest tied the record of the fastest horse in the race. About 10:000 persons were loath to go when darkness necessitated postponement until to-morrow.

in the race. About 19,000 persons were loath to go when darkness necessitated postponement until to-morrow.

Scott Hudson's bilind horse Rhythmic, 2.00%, was picked to win the rich purse, but after reducing his record to 2:08%, the brown stallion had only one heat in six. Duice Cor won two heats and got a mark of 2:08%, the new stake record. Alice Carr won the first heat in 2:06%, a new record for a mare. Rhythmic came third and then won the second heat in 2:08%. The third went to Wentworth, who tied his mark of 2:00%. Duice Cor won the fourth heat in the best time, 2:08%. Then Nutbearer took the fifth heat, reducing his record from 2:13% to 2:10%.

It was a killing race. Five heat winners started in the sixth heat and the race was between Wentworth and Nutbearer, but both horses broke in the stretch and Duice Cor won from third position. The race will be called at 1 o'clock to-morrow afternoon.

The unfinished race from yesterday was decided when The King got the odd heat and won first money.

The 2:05 pace was fast, but Audubon Boy outclassed the field. He won in 2:04%, faster than the records of any of his competitors.

The Roman Makes New Record.

The Roman Makes New Record. The Roman wen the 2:18 trotting stake, reducing his record to 2:001. Driver Benson was fined 3:00 for laying up the first heat. The morrow Prince Alert 2:004, champlon pacing geiding of the world, will start in the free-for-all pace. There were five entries. Summaries:

Roy Brashear could have won a game for St. Louis vesterday if his budding genius had taken the form of a base hit in the seventh inning of the farewell en-gagement with Philadelphia.

The S. R. O. sign was on the bases, for the Cardinals had a full house, two down, victory for a jackpot and Brashear to draw A safe rap would have swept the table, but Brashear extinguished the light of hope when he fanned, and Patsey's bunch hiked back to the field after first removing their dead from the bases.

The chance was the best one that was offered, for the Quakers upset all calculations for an extra-inning game in the ninth. Pete Childs, the ex-Cardinal, enabled the Quakers to emerge on the front end of a 5-4 score, for, with two gone and two on bases, he shot a single past second base and scored Hulswitt with the run that ecided the game. The Quakers' farewell appearance was

jammed into one act instead of two, as was scheduled. The grounds at League Park were very soggy after the rain of Tuesday. The sun hid behind clouds until late in the afternoon, and the infield was so mudd that it was decided to cut the afternoon's mance in half.

Of fast plays there were but few, for the infielders sipped about with hig chunks of Missouri soil clinging to their spikes. For the same reason the base running was not brilliant, while sliding was out of the question. The home plate was surrounded with sawdust, and during the early part of the game, when some of the Quakers tried to slide in, they had to roll over the plate in Arile Latham fashion, for the sawdust and mud acted as a brake that brought them to sudden stops.

Donovan's Pinch Hitting. Pat Donovan just now is filling the role of Colonel Pinch: In last Sunday's game with New York the gay Patrucio worked in a winning hit. Yesterday he drove in three of the four St. Louis runs. The last well-directed effort entbled the Cardinals to tie the score in the fifth inning, and

Alexander Pearson essayed the pitching for the locals, but the Phillies warmed up to his delivery in tabasco-sauce style. In the second inning Donovan yanked the

Barclay failed and his fly went into the hands of a receiver, who bluffed Farrell into remaining on third. Donovan worked Dug for a pass and while he was shelved at second on Brashear's tap Farrell scored. Smoot was within reaching distance when Kruger's foul nestled in Jennings's mitt.

Donovan's three-base smash in the third caused a tie-up. Farrell waiked, but neither Smoot nor Barclay could pry him of first. Donovan duplicated his hit of Sunday, driving hard along the right-field foul line. Farrell beating a relay throw to the plate. Then Dug went back to the box and proceeded to get himself in a bad pocket by caressing Donovan on the elbow with one of his shoots. That filled the bases, Brashear swung at two bad ones and then allowed Dug to put one over without making an attempt to hit the ball.

Currie fanned Krug as a starter in the ninth. Hulswitt shoved out a liner, but Donovan nailed Jennings's high one. Douglass poked out a safety and Childs followed with a grounder that just escaped Farrell and Hulswitt scored. Mike O'Neill went to bat for Currie in the ninth, and hit nothing but the air, and the next two men were canned in short order.

Several Cardinals will avail themselves of the chance to witness the Browns in action to-day. It is the first time they have had so opportunity to do so. The Cardin-is depart to-night at 8 for Cincinnati, wit rethey will play to-morrow and Saturday. They move on to New York Sunhay. Manager Donovan could have booked an exhibition game for Sunday in Rochester, N. Y. where Barclay played last season. However, the management thought it would not be a paying trip, inasmuch as the Cardinals play a marning game at New York on Labor Day, and if the team was taken to Rochester it would mean an all-night ride before the double engagement aext Monday. The proposition was, therefore, declined with thanks.

The Quakers drove Pearson from the stab in the fourth, and before Currie could adjust matters the visitors were again a part to the good. Childs's liner was suddenly halted in midair by Farrell, but Duggleby got his base on four wide ones.

Then, beginning with Thomas, the visitors went right out after Pearson. With two strikes on him Thomas took a chance and drew a safe bunt out of Curries grab bag. Hartman didn't put his hands to the ball, as it wibbled and threatened to roll foul on its journey down the line. Duggleby grabes

for the plate on Wolverton's poke to center. Hughey Jennings coached him up the line, and as Smoot's throw came in orged long to slide. He did take the drop, but the going was rough and Dug went over the base on one knee, barking his shins. Barry dropped a Texas Leaguer in short left field and Thomas scored.

Pearson then made his exit and Currie stepped in, Krug hit into a fielder's choice and Currie fanned Hulswitt. The Cardinal's canceled that pair in the fifth, and again it was Donovan who did the heavy work. Smoot walked and went to third when Thomas and Krug enacted the comedy of 'Gaston and Alphonse' on his fly, Krug jumped in front of Thomas and made a two-base muff. Donovan drove both across the plate on his dinky rap in shallow left, but once more Brashear falled to do anything for his country. He smashed a liner to right, but the ball was hit so hard that Barry simply moved over and gathered it in without having to exert himself.

Brashear's Failure. Brashear's Fallure.

The sixth was full of excitement. After Wolverjon's easy grounder had crawled between Farrell's legs, Barry singled to left and Wolverton made a "sucker" play, trying to score. Ryan took Barclay's throw and waited for Harry to come up and get "his." In the seventh occurred the dismail
